DERMAL THERAPIST CONSULTATIONS

If you'd like to see real change in your skin, the best place to start is with a consultation with one of our qualified Dermal Therapists. At your first visit, we'll talk through your skin concerns and recommend suitable treatments and medical-grade skincare products.

For new clients, a consultation is always included as part of your first dermal therapy appointment. This can be booked in one of two ways:

- **Consult + Treatment:** A consultation including a cleanse and basic skin assessment, followed by one of our non-surgical skin treatments on the same day; or

- **Skintro Facial:** Our comprehensive, skin-focused starter package for new clients. This includes a consultation, basic skin assessment and discussion of your skin goals and treatment options, combined with a personalised, results-focused treatment on the day.

A $50 prepaid consultation fee* is required to confirm all new dermal therapy client appointments.

COSMETIC NURSE CONSULTATIONS

These consultations are conducted by our experienced Cosmetic Registered Nurses (under the supervision of our Specialist Plastic Surgeons) and provide a tailored approach for those who want to address their appearance without cosmetic surgery.

All consultations are strictly confidential and obligation free.

Book a consultation today to discuss any concerns regarding:

- Facial Volume Loss
- Lip Volume / Definition
- Fine Lines
- Skin Ageing / Laxity
- Facial Contouring
- Allergic Rhinitis
- Excessive Sweating

Due to regulatory guidelines, we are unable to advertise specific pricing details for treatments regarding medical or cosmetic concerns. Any potential costs can be discussed directly with your nurse during your consultation.

A minimum $100 pre-paid consultation fee applies to all Cosmetic Nurse appointments.

Please note that not all consultations will result in treatment being recommended or provided.

Standard treatment pricing applies in addition to the consultation fee for new clients, and for returning clients who have not had a consultation with our Cosmetic Nurse within the last 24 months.
